⚽ School's Out, Football's In!

One-Day Football Program – Thursday 23 October

When teachers strike, we play football! Join Waitemata FC for a fun-filled day of games, skills, and goals in a safe, active, and supportive environment.

Program Overview

Our one-day football program is designed for children aged 6 to 14 (born 2011–2019) – whether they're new to the game, an aspiring All White or Football Fern, or just love being active and having fun.

Players will take part in exciting activities focusing on dribbling, passing, teamwork, creativity, and scoring goals. It's a great way to stay active, make new friends, and enjoy the beautiful game under the guidance of our top-quality Waitemata FC coaches.
